

ENVIRONMENTAL POLICY

AT THE QUADRANT

WE'RE BIG ON LOOKING

AFTER THE PLANET

SO AT OUR HOTEL WE'RE

R E S P N S I B L Y

S U S T A I N A B L E

The Quadrant Hotel will:

Conduct its business in a manner that seeks to minimise adverse affects upon the environment and deliver benefits to the staff, guests and the local community through being “Responsibly Sustainable”

This will be achieved through:

Environmental Legislation

The Quadrant Hotel will do its utmost to comply with environmental legislation

Energy Efficiency

The Quadrant Hotel will seek to achieve sustainable operations in order to successfully support the conservation of energy usage, including seeking new mediums of sustainability

The Community

The Quadrant Hotel will seek to increase positive involvement within the wider community, including a commitment to a responsible cause that seeks to assist the environment with its sustainability

Staff

The Quadrant Hotel will ensure that all staff members work and act in a responsible and sustainable manner
Staff will receive training that complies with all environmental and OSH legislation

Environmental Improvement

The Quadrant Hotel will regularly monitor the effects of its business practices which have direct implications on the environment to ensure that we develop effective and practical measures that minimise the impacts of our operations on the environment.

Environmental Reporting

The Quadrant Hotel will provide copies of the environmental policy available on request as well as any other relevant documentation related to the environmental performance of the hotel.
